Keeping Our Community Safe

STUDENT WELFARE

Beacon Hill is totally committed to keeping students safe. Nothing is more important than our students' welfare.

The spiritual, moral, social and cultural development of students is high profile in the vision of the school and all members of the school's community are encouraged to develop a respectful and understanding relationship with staff and fellow students.

With these qualities in their toolkit our students will be well-placed for the next steps in their lives.

Students are supported and restorative practices and principles applied where appropriate.

Students are listened to.

Students are encouraged to talk to a member of staff if they are worried or upset.
