Dear Parent/Carer

### SCHOOL UNIFORM STOCKIST

As we approach the last half of the school academic year, we have been carrying out research on our School Uniform and the best value for parents.

We are pleased to advise that we are teaming up with Gift and Stitch in Aspatria as supplier of School Uniform for both Solway and Beacon Hill Schools. We have been conscious that we would like to provide you with a cost effective school uniform yet also support a local business, that offers ease of buying for you locally.

Both school uniforms are available to view and order on their website. Alternatively, you can also pop into the shop and try uniform on for size, before you buy.

Daily uniform consists of:

- Blazer £30-33.00
- White Collared shirt £14-16.50
- Tie £5.50
- Navy V-neck knitted jumper with school logo £18-21.00
- School badge to sew onto uniform £4.50
- **Black School Shoes – as of September, Black leather trainers/logo's on shoes are not acceptable. If unsure, please contact school before purchasing.**

If you would like to buy a navy knitted jumper from elsewhere that is cheaper, we are happy for you to purchase a school badge that must be sewn onto the jumper. **Children must not wear a navy jumper with no school badge.**

You will see a change with our PE kits, these have been updated in the federation due to our previous provider shutting down during the pandemic. As a result, we have made a positive change with our kits that now dry faster and last longer. We have included some warmer items for the winter term which are optional. Older students can continue to wear their current PE kits and are not required to purchase the new style until they need replacements.

Gift and Stitch will also be providing the PE kit for both schools:

- Embroidered PE Polo Shirt £10-14
- Embroidered PE ¼ zip top (optional) £14-18
- PE Training pants (optional) £12-1
- PE Shorts £7-8
- PE Skort £11-14
- PE Socks £3.50
- PE Girls Navy Leggings £10-12

(Students can wear shorts/skort or leggings as part of their PE kit, they do not need all three).

Throughout this process, we have tried to keep the school uniform as affordable as possible, without dropping our standards. The uniform we have chosen is excellent quality.

Thank you for your continued support.

Yours sincerely
